UMW -- A Big Presence at the Creation Care Summit

The annual Creation Care Summit was held at the Scarritt Bennett Center in Nashville on July 11-13. The United Methodist Women had a booth there and were an important presence at the summit, both as presenters and as participants.

Women and children are the primary focus of UMW. Since poor people world-wide are especially impacted by climate changes, toxic unhealthy living conditions, lack of healthy food, unclean water, and other sustainability concerns, Creation Care is important to the United Methodist Women. One of the women pictured above is from Mt. Olivet UMC in Arlington.

Jane and Karl Bren from RRUMC attended the conference on July 12-13.
